

EcoClean® / EcoSpray®

Safer for the Environment

- No aerosols
- No propellants
- Non-flammable*
- No 1,1,1 trichloroethane
- No ozone-depleting CFCs

Safe for the environment

EcoSpray® and EcoClean® products do not contain propellants, CFCs or HCFCs that affect the atmosphere, ozone layer or environment. When possible, EcoSpray® and EcoClean® products are formulated with ingredients rated for their biodegradability and non-polluting characteristics, minimizing waste disposal.

Safe for storage*

EcoSpray® and EcoClean® products have no storage or added fire insurance restrictions. They can be stored like any non-aerosol lubricant or cleaner at room temperature. Do not let product freeze.

Safe for shipping*

EcoSpray® and EcoClean® products are non-hazardous and can be shipped by air freight or any other conventional shipping method.

Safe for the user

EcoSpray® and EcoClean® products have been specially formulated to improve safety for the consumer as well as the environment. These safety improvements are reflected in the HMIS ratings for each product shown here. The products do not contain 1,1,1 trichloroethane, methylene chloride or chlorinated solvents.

Packaging

EcoSpray® and EcoClean® products are packaged in 16 fluid ounce (0.5 liter) recyclable bottles. They are available with 12 bottles per carton. The products can also be purchased in 5 gallon pails, 55 gallon drums, or totes.

* with the exception of VpCI®-238 (this product is flammable)

Environmentally Safe Spray Technology

EcoSpray® and EcoClean® are designed for the toughest maintenance duties with respect for the environment. They incorporate non-toxic, non-hazardous chemicals without aerosols, propellants, or ozone-depleting CFCs. Fast-acting, dependable, and easy to handle, EcoSpray® and EcoClean® lead the way in environmentally safe technology.

Electronic Cleaner 238

Protects electrical and electronic contacts and components

- Protects against and stops corrosion
- Multimetal protection
- Silicone-free

Cleaner & Degreaser 416

A non-toxic liquid that removes heavy hydrocarbons, grease and machinery

- Fast cleaning
- Removes oil & grease
- Prevents corrosion
- Biodegradable

Industrial Lubricant 325

Replaces mineral, natural, biodegradable lubricants and corrosion inhibitors.

- Stops squeaks
- Loosens rusty parts
- Frees sticky mechanisms
- Stops rust
- Water Displacing

Rust Remover 423

This viscous liquid uses natural organics to remove rust, scale and oxides.

- Removes rust & scale
- Loosens rusty parts
- Stops flash rust
- Biodegradable
- Non-polluting

Rust Blocker 389

Water resistant coating to rust-proof iron, steel and other ferrous metals.

- Long Lasting
- Non-hardening
- Rust-proof coating
- Effective outdoors
- Water dilutable
- Hydrophobic film

Graffiti Remover 433

Removes graffiti, inks, paints from metal, concrete and wood.

- Removes graffiti, ink & paint
- Low odor
- Non-flammable
- Free of methylene chloride & ketones

EcoSpray®/EcoClean® products are designed for enhanced customer and environmentally safe.
