

## UT 1410 /0140 Double Sided Foam Tape

### Description

UltraTape's 1410 / 0140 is a permanent double sided foam cleanroom tape. The closed cell polyethylene foam is flexible to conform to uneven surfaces and its strong adhesive makes it ideal for cleanroom construction and mounting.

- Strong permanent adhesive
- Sealing cleanroom ceiling tiles
- Mounting signs and nameplates
- Cleanroom certified

### Properties

Backing	Closed Cell Polyethylene Foam
Adhesive	Double sided Rubber
Release Liner	Polyethelene
Backing Thickness	1/8in
Adhesive Thickness	1 mil
Adhesion to Stainless	65 oz/in
Operating Temperature	0°F to 150°F (-18°C to 65°C)
Tensile Strength	27 lbs
Length	54ft
Colors	White (WH)

To achieve ultimate adhesion, the bonding surface should be dry, clean and free of dirt and oils. The strength of the adhesive bond is dependent on the amount of surface area directly contacting the adhesive. Firm pressure is recommended to obtain good adhesive to surface contact.

Values should not be used for specification purposes. Each user should make their own test to determine the products suitability for their own intended use and shall assume all risks and liabilities in connection therewith. Materials should be stored at 70°F (21°C) with 50% relative humidity.
