PRODUCT DATASHEET

UT4421 Yellow “CAUTION” Cleanroom Barrier Tape

DESCRIPTION

UltraTape 4421 / 0421 Non-adhesive barricade tape with a polyethylene film printed with easy-to-read “Caution” in bold black print. UT4421 is our UltraClean version and the UT0421 is our standard clean version

PROPERTIES

- ISO 3 version available - UltraClean
- Handheld dispenser available – UT970
- Supplied on a plastic core
- 3” x Multiple roll lengths

To achieve ultimate adhesion, the bonding surface should be clean, dry, and free of dirt and oils. The strength of the adhesive bond is dependent on the amount of surface area directly in contact with the adhesive. Firm pressure is recommended to achieve good adhesive to surface contact. UltraTape recommends that each user conduct their own test to determine the product's suitability for the intended application and shall assume all risks and liabilities in connection therewith. Materials should be stored at 70°F (21°C) with 50% relative humidity.

Backing	Polyethylene
Adhesive	None
Release Liner	N/A
Backing Thickness	3.0 mils (0.076mm)
Adhesive Thickness	N/A
Adhesion to Stainless	N/A
Operating Temperature	Up to 245°F (132°C)
Tensile Strength	>10 lbs./in.
Length	1000' and 300'
Colors	Yellow with Black Text “CAUTION”
